<b>Primary PE and Sport Premium Key Outcome Indicator</b>	<b>What the money was spent on</b>	<b>Funding</b>	<b>Aim</b>	<b>Impact</b>	<b>Next steps/ sustainability</b>
1. Engagement of pupils in physical activity/ awareness of healthy eating	Purchase/ subscription/ installation of Anomaly board.	£7563.04	To get the children to engage with healthy eating/ wellbeing messages during break/ lunch-times. To encourage activity at break/ lunch-time by engaging with the board (exercise/ dance)	Children have increased their knowledge of well-being and healthy eating messages. Less active children have been inspired to participate in dance and aerobic exercise activities during break and lunch-times.	Ensure all teachers are using the board as part of their class teaching and allow each year groups more opportunities to interact with the board.
	Ground maintenance (eliminating mole hills/ disabled access/ cutting back trees)	£2800	To make the field and surrounding areas safe so the children are able to use areas for safe play-times and physical education lessons.	The field is now able to be used at break and lunch-times and is safe. This has also enabled after-school clubs to use the facilities.	Ensure the area continues to be monitored and stays safe for the children to use.
2. Raising the profile of sport	Sports partnership service level	£1527.95	To give the children the opportunity to	High participation rates for children	Continue providing opportunities and

across the school	agreement		participate in level 2 inter-school sporting events and ensure the young leaders are trained and given opportunities to use their skills.	competing in level 2- inter-school competitions.	ensure the Forrester's Sports partnership continues to thrive.
	Purchase of stickers for sports day.	£8.92	To encourage competitive intra-school activity	Competitive sporting activity	Ensure further rewards are planned for next year.
3. Increase the knowledge and skills of teachers.	Tennis Works	£1320	To enable staff to observe high quality teaching of tennis.	High quality teaching observed and teachers informed for future planning.	Re-book for next year and encourage children to participate out of school.
	Next generation sport rugby coaching	£448	To enable staff to observe high quality teaching of rugby.	High quality teaching observed and teachers informed for future planning.	Re-book for next year and encourage children to participate out of school.
4, Experience a broader range of sports.	Curriculum Ballroom dancing	£700	To allow the children to experience high quality ballroom	Excellent teaching observed. The children performed to a very high level	Plan further opportunities next year (new dances)

			dancing teaching and inspire them to pursue out of school.	also.	
	Team building day at Northampton Saints Rugby Club.	£365	To experience a professional rugby stadium and develop social, cognitive, personal and creative skills.	The children loved the experience and developed many interpersonal skills	Continue to provide opportunities for the children to develop their interpersonal skills.
	Purchase (New Age Curling set for the cluster)	£69	To experience a new sport	The children participated in a cluster Curling tournament	Look for more opportunities to get involved in minority/ inclusive sports
5. Provide high quality resources	Equipment purchased (Floor markers, cover for equipment, skipping ropes, netball posts.,	£316	To give the teachers the best possible resources to teach high-quality PE.  To ensure the children have adequate resources to help develop active lunch-time activities.	High quality PE lessons taught (observations)	Ensure the equipment is audited/ school learning council tasked to further improve equipment.
